

Southside Middle School Safety Drop-Off and Pick-up

Parents Drop-off and Pick-up

Parents will enter the parking lot on the eastside of the property either at the entrance closest to the intersection of East 26th and South Macedonia (near the tennis courts). Parents will form a single file line along the curb by the gym to drop off. Parents will then continue straight to exit out of the parking lot. If parents are coming into the building and need to park, they should park in the east parking lot. Students will walk up the sidewalk and enter through door 1 and go into the cafeteria.

School Buses

School buses will enter the parking lot through the far west side entrance and will form a line along the west side of the building. Students will walk up the sidewalk and enter through door 1 and go into the cafeteria.

MITS and Special Education Students

The front drive on the north side of the building will be reserved for MITS buses and special education students (must have a permit). Parking will be reserved for office staff only.

Rain or Snow

Students will follow normal procedures into the building **UNLESS** a weather related concern arises (sidewalks too hazardous to be on). In such an event, students who ride the school bus will enter through door 14 (west side door). Students getting dropped off by parents will enter through door 3 (Auditorium).
